

# Elevating Expertise:

Join us at Bengaluru's unique  
**ISSH Basic Hand Surgery Course.**

Learn more about latest advancements in hand surgery.

**Course is accredited by 4 KMC Credit Points**

In association with

**KARNATAKA  
ORTHOPAEDIC  
ASSOCIATION**

**18<sup>th</sup> and 19<sup>th</sup> of May, 2024**

**The LaLiT Ashok Bengaluru**

**RSVP  96868 88810**

Our hands are the most essential tools in everyday life. Their complex design enables a wide range of functions. With this course, our aim is to learn to restore form and function to injured hands and enhance our set of skills.

### **Who should attend?**

---

- All trainees/PGs in Orthopaedics and Plastic Surgery
- Surgeons involved in the practice of hand, wrist, nerve, and tendon surgeries
- Practitioners with a passion for art and science

### **Course highlights:**

---

- Top-notch faculty
- Practical tips and tricks
- Replays of live videos
- Interactive discussions
- Accredited and certified course

### **Course benefits:**

---

- Take-home messages
- Consolidate basics
- Skill training with the help of videos
- Helps in avoiding common pitfalls
- Interactive discussions with faculty
- Workshop included
