

HOW ARE ISSH FELLOWSHIP APPLICATIONS SCORED?

The ISSH Fellowships Committee employs a standardised and transparent process to decide between applicants for ISSH fellowships.

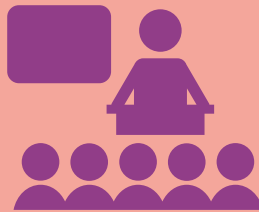

Below are the criteria that the Committee takes into consideration :

1

Publications - articles in PubMed indexed journals

2

Presentations - papers are scored more than posters

3

Experience - depending on the nature of the fellowship

4

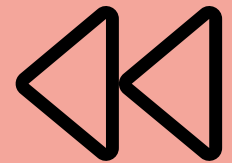

Cover Letter - with clear purpose and articulated well

5

Contributions to the ISSH, like Academics or Research Wing

6

Prior ISSH Fellowships

Ensure your applications contain the above details !
